

Ramakant Chandel

Focused Sitecore Certified Professional with more than 5+ years of experience and a proven knowledge of application development and web design using Sitecore Experience Platform and modules like SXA, SCORE, Coveo for Sitecore, Sitecore Powershell, Unicorn, GlassMapper, Synthesis and more. Aiming to leverage my skills to successfully fill the Sitecore Developer role at your company.

Work Experience

Senior Sitecore Specialist

Jet2 Travel Technologies PVT LTD, Pune, India (March, 2022- Present)

- Worked on their Flight Booking, Holidays Booking and Reservation project as Senior Sitecore Specialist.
- Projects included upgrading to Sitecore 10.2, Adding features like third party authentication providers for SSO using Sitecore Federated Authentication feature and OpenIDConnect.
- Worked with Juniors to train them in Sitecore and prepare them for Certification.
- Worked on moving the Sitecore project to Helix based one. Worked on Publishing Service implementation and Powershell script to setup local instance.
- Worked on making sure both SXA and non-SXA based sites work properly and made changes accordingly to existing custom code.

Senior Sitecore Associate

Altudo Consultancy Private Limited, Delhi, India (July, 2021- March, 2022)

- Worked on a Healthcare project as Tech Lead and delivered site in Phase 1 using only OOTB SXA features like Scriban, Cloning, Rendering Variants and other OOTB SXA features.
- Project included adding new SXA based site to a non-SXA Sitecore instance with existing customizations and code solution.
- Worked on deciding technical plan and technical design document.
- Worked on setting up Helix based solution and merge it to their existing non-SXA solution.
- Worked on making sure both SXA and non-SXA based sites work properly and made changes accordingly to existing custom code.
- Trained new recruits in Sitecore and SXA.
